Sensitive:	Yes
Date:	27. 4. 2018
From:	N. Kostlánová, Scientific Secretary
To:	Management meeting (3. 5. 2018)
Proposal:	<p>Robert Vácha asked for information about values of Bonus evaluation in Computation chemistry related groups (Vácha, Koča, Marek, Šponer). This information was not freely accessible, but the budget of RGs based on this information was distributed through the Director's board.</p> <p>We can provide him:</p> <ul style="list-style-type: none"> a) Bonus evaluation table b) Budget table c) Nothing
Link to the Strategy:	Robert wants to use the values as an argument for empowering the position of computational chemistry at CEITEC (maybe it goes against strategy).
