Podané projekty: U každého řádku jsou uvedeny typy projektů, které se do dané kolonky/řádku evidují. Možnosti zdrojových dat pro evidenci jsou dvoje: 1) Grantové oddělení vede aktuální přehled podaných a získaných projektů na O:\719000-Administration Section\719010-Grants Office\02 Prehledy (zde pracujeme s listem podané projekty) a vybereme požadované časové období; 2) Lze vyexportovat data ze systému ISEP, podané projekty -nutné správně zadat období podání projektů. Vzhledem k tomu, že obě databáze naplňuje GO, jsou data shodná. Pokud je podán projekt do jiného, nového schématu než jsou uvedena vedle řádků, je nutné toto schéma vhodně zařadit a připsat do adekvátního řádku k názvům schémat. Pokud nejde zařadit výzva ke stávajícím typům projektů, lze domluvit s kanceláří ředitele možné rozšíření tabulky o další řádky. Kurz převod financí CZK/ EUR se používá dlouhodobě 25,50 CZK/1 EUR.
