International Conference "Trends in Economics and Management for the 21st Century" Czech Republic, Brno September 20th - 22nd 2012 www.conference.fbm.vutbr.cz

Guide for Author(s)

Common regulations:

- 1. The article submitted should deal with research in management, economics, marketing, accounting, statistics, econometrics, operational research, and informatics.
- 2. The language used in the article and in the abstract is English.
- 3. Both the article and the abstract should be submitted to conference@fbm.vutbr.cz
- 4. The abstract will be presented separately from the article and it will be reviewed. The abstract specifies the purpose of the research, the methods, the principal results and major conclusions (3000-4000 signs). Keywords and JEL Classification should follow the abstract. Provide a maximum of 5 keywords.
- 5. Divide your article into clearly defined and numbered sections incorporating following sections: Introduction, Material and methods, Results, Discussion, Conclusions.
- 6. Number all tables, figures and pictures in the body of your article.
- 7. For writing your article, please use Microsoft Windows XP/Home/Professional/Vista, Microsoft Office XP, 2007 (format MS Word .doc and .rtf). Do not underline the text.
- 8. For creating tables please use programs MS Word (6.0 version or higher), MS Excel (5.0 version or higher). If creating tables please use a simple format (thin lines, basic fonts etc.). The maximal size of table should not exceed 175 mm x 240 mm size within the headline above the table.
- 9. The article should not be longer than 12 pages A4, simple spacing, Times New Roman, 11 pt, pages are not numbered. The format of pages A4 (210 x 297 mm), edges: right 2,5 cm, left 2,5 cm, upper 3 cm, lower 3 cm.
- 10. The text (including figures, tables, graphs...) should be in black-white version.
- 11. Acknowledgement should be written in a separate section at the end of the article prior to the reference. List here those individuals who provided help during the research (title of the project, the project number, the provider characteristics, etc.).
- 12. Ensure that every reference cited in the text is also present in the reference list (vice versa). Any references cited in the abstract must be given in full.
- 13. The reference list is placed at the end of the article. The references should be in alphabetical order and unnumbered according to the APA style http://owl.english.purdue.edu/owl/resource/560/01/.
