

OKO IST

Technology Centre ASCR and OKO IST

invite you to attend the seminar

Information and communication technologies in Horizon 2020

Date: 2nd October 2015

Venue: Technology Centre ASCR, Ve Struhách 27, Praha 6, conference room Labe

Language: English (interpreting is not arranged)

The aim of the seminar is to introduce ICT Work Programme 2016-2017 and provide participants with useful tips from beneficiaries and an expert evaluator. The target audience for this seminar are project managers and researchers, who intend to submit a project proposal in H2020 ICT calls.
