

KPMG IN THE CZECH REPUBLIC

# KPMG Shadowing Programme

## Where?

In the Tax Services department.

## When?

Based on agreement and suitability on both sides. We can arrange the final date according to your needs.

## What is the programme about?

The programme usually involves a four-day assignment during which university students shadow a selected assistant/in-charge and manager, accompanying them in their everyday work. Through monitoring, discussions and active involvement in certain activities the students learn about the job responsibilities, skills, and the decision-making and management methods of the person they shadow.

## For whom is it intended?

It is intended for students in the penultimate or final year of their master's studies as well as full-time PhD students.

## Any benefits? Yes, loads!

- It is a great opportunity for you to get acquainted with daily life in KPMG and the job responsibilities and daily duties of assistants/in-charges and managers,
- this assignment can help you in choosing a job or future career path,
- you will learn information that you can use, for example, for your diploma thesis,
- it is an opportunity to try your hand at performing the job of an assistant/in-charge/manager,
