KPMG IN THE CZECH REPUBLIC

# KPMG Shadowing Programme

## Where?

In the Tax Services department.

## When? January–April 2013

Based on agreement and suitability on both sides. We can arrange the final date according to your needs.

## What is the programme about?

The programme usually involves a four-day assignment during which university students shadow a selected assistant, in-charge and manager, accompanying them in their everyday work. Through monitoring, discussions and active involvement in certain activities the students learn about the job responsibilities, skills, and the decision-making and management methods of the person they shadow.

## Who is the shadowing programme for?

It is intended for students in the two final years of their master's studies as well as full-time PhD students. Applicants go through the same selection procedure as for any other graduate position in our firm.

## Any benefits? Yes, loads!

- It is a great opportunity for you to get acquainted with daily life in KPMG and the job responsibilities and daily duties of assistants, in-charges and managers,
- this assignment can help you in choosing a job or future career path,
- you will learn information that you can use, for example, for your diploma thesis,
- it is an opportunity to try your hand at performing the job of an assistant/in-charge/manager,
- you gain useful contacts.

**You receive a certificate upon successful completion of the assignment.**

**Application deadline: December 31, 2012**
