

Dear Partners,

We would like to invite you to our International Days which will be held **from 20th to 24th of October 2014** at the **IUT of Valence, France** (part of Grenoble 2 University, Code Erasmus : F GRENOBL02).

These International Days will be the opportunity to bring together lecturers of our partner institutions with our own students and staff. Our aim is to promote mobility by giving our students "international exposure" through lectures and presentations of and by our Partner Universities as well as strengthen our links and collaboration.

In accordance with the Teaching Staff Mobility programme, we would like you to give a lecture in any of the following subjects: Management, Finance, Human Resources, Marketing and Communication or Computing as well as other broader Business topics or Cultural and Social themes.

There will also be social events for you to meet our staff and lecturers, share experience, learn from one another, enjoy time together and discover the area around Valence.

We would be pleased to receive your application form **before the end of September 2014** if you can join us. Information regarding accommodation will then be sent to you.

We look forward to meeting you in Valence.
