

ACCA Accelerate programme at Faculty of Economics and Administration

Faculty of Economics and Administration, Masaryk University and its Master programme in Finance (Czech/English) have been awarded official accreditation from ACCA (The Association of Chartered Certified Accountants). From now on you can combine your Master in Finance (Czech/English) with international ACCA qualification and kick off your successful career.

ACCA Accelerate programme for you

About ACCA

- ACCA is the world's leading body for professional accountants, with over 110 years of experience, innovation and excellence. Our qualifications are designed for people who seek rewarding careers in finance, accountancy and management.
- ACCA qualification provides you with practical skills and gives you a clear advantage in the labour market.
- It consists of 13 ACCA exams, an ethics module and practical experience. Students of the Master program in Finance (Czech/English) need to pass only 7 ACCA exams to join the global ACCA member base.
