The Title (Title 1)

Author's name (Title 2)

Abstract (Title 2)

TEXT, max. 150 words

Key words (Title 2)

TEXT, max. 5-8 words

Introduction (Title 2)

PLEASE DO NOT USE FOOTNOTES!!

(TEXT) In this chapter the paper must provide a short review of the current state in the area of the paper's aim. The paper should refer to significant sources, particularly scientific journals and conference proceedings listed in the databases of Web of Science (former ISI).

Please, finish this chapter with a clear description of the paper's objective and methodology.

You can highlight the *important words* in italics.

Material and Methods (Title 2)

(TEXT) In this chapter, please provide the description of used methods, characteristics of data files, etc. If you stem from your previous work, describe it here shortly too.

Heading (Title 3)

If necessary, use heading 2, but not heading 3!!

(TEXT) Text can include pictures or tables – please, place numbered legend above the object, please, place sources under the object. Please, ensure whether all you figures are readable subject to such conditions. Use the same style for tables. **Use only “figure”** for all graphs, pictures, schemes etc.

Figure 1: An economist (TEXT, cambria 11, only black-and-white)

Source: author (TEXT, cambria 10)

Figure 2: Public revenue (TEXT, cambria 11, only black-and-white)

Source: Author (TEXT, cambria 10)

Table 1: An empty table (TEXT, cambria 11)

Cambria 10		

Source: Author (TEXT, cambria 10)

Results and Discussion (Title 2)

(TEXT) Use this chapter to describe the results as clearly as possible. Discuss your results in comparison to the results of other authors.

If necessary, use equations and denote them as follows:

$$a = \frac{b}{c} \quad (1)$$

Conclusion (Title 2)

(TEXT) Summarize your paper and stress the most important points of it. Think about topics for the future work.

Acknowledgements (Title 2)

(TEXT) Acknowledgement is necessary if the paper was funded by a grant agency or other foreign sources (e.g. "This article was supported by...." or "This article has been elaborated as one of the outcomes of research project...").

References (Title 2)

Each reference must be mentioned in the text as a continuous quotation and vice versa. The Harvard referencing convention is required, i.e. within the body of the text the surname, pages and year of the reference.

LIST OF REFERENCES SHOULD BE SORTED ALPHABETICALLY. NOT NUMBER LIST OF REFERENCES.

Examples of continuous quotations (TEXT):

1 author

Green (2010, p. 8) did the research.

The research was done (Green, 2010, p. 8).

2-3 authors

Green and Jackson (2009, pp. 8-10) pointed out the problem.

The problem is well-known (Green, Jackson, 2008, pp. 8-10).

More than 3 authors

Green et al (2010, pp. 6-10) improve the method

The method was improved (Green et al, 2010, p. 6).
