Finishing Your Studies

- After successfully finishing your studies you will be granted academic title Ing. – equivalent of Master Degree (M.A.)
- Your studies will be officially concluded by final state exam.
- The state exam is oral and has three parts:
 - Economics (Micro + Macro)
 - Defense of diploma thesis
 - Subject of specialization

Required structure of credit points

- Total of 120 ECTS
- credit points system
 - A credits – a „must-do“ courses
 - B credits – electives (specializations)
 - C credits – free electives (up to 120 ECTS)
- A credits include
 - credit points for working on diploma thesis (diploma seminars)
 - credit points for handing in diploma thesis

Diploma thesis

- final written paper
- diploma thesis is written according to official assignment of the thesis, which is awarded by the Dean of the Faculty.
- you work on the paper under the guidance of your diploma thesis tutor, always from the department that guarantees your specialization.
 - Business Management = Dept. of Corporate Economics
 - Financial Management = Dept. of Finance

Topic of Diploma Thesis

- is officially stated at the assignment
- How to obtain a topic?
 - choose one of the topics offered by the department, or
 - speak to potential tutor with your own topic or problem area which you would like to cover
- How to obtain the official assignment?
 - it is composed by the tutor after you had enrolled yourself for the particular topic through special is.muni.cz application.

Working on your diploma thesis

- the work on your diploma thesis is conducted individually under the guidance of your tutor.
- is awarded by credit points, officially through Diploma Seminar.
- credits are awarded by the tutor.
- contact your tutor after you had enrolled for the topic. You will obtain detailed information regarding your co-operation over the thesis.

Important Deadlines

- choosing the topic and enrolling through IS
- composing an official assignment (deadline for tutors)
- official assignment will be available at International Relations Office after they will have been signed by the Dean.

The deadlines of above mentioned steps can be found in the Academic calendar.

Good Advice

- be active
- be responsible
- be communicative

- Diploma Thesis is your project, you are responsible for the result (not the tutor) and after all – you will have to defend it!

Good Luck
