Invitation for Dr. Gabriela Vacekova

Dear Dr. Vacekova,

The Leibniz-Institute of Agricultural Development in Transition Economies (IAMO) cordially invites you to work at IAMO as a guest researcher from December 2nd to 5th 2014. During your stay, you and colleagues from IAMO are going to work together on the topic of the rural third sector organizations in the Czech Republic.

Costs of accommodation and once-only travel from Brno to Halle (Saale) and back (maximum 350 €) are to be borne by our institute. IAMO will book a hotel. You may book your train ticket by yourself and will be reimbursed the money on showing your original ticket during your stay in Halle (Saale). After your return home you have to send the original tickets to IAMO. Moreover an allowance of 10 € per day will be paid to cover daily expenses.

For the period of your stay at IAMO you have to conclude private health insurance.

We are looking forward to welcome you in Halle.

Kind regards,

Prof. Dr. Alfons Balmann
