

Call for Expressions of Interest in Marie Skłodowska-Curie Individual Fellowships 2018

MUEEL Laboratory of Experimental Economics, Faculty of Economics and Administration, Masaryk University – Brno, Czech Republic.

We seek to support and sponsor researchers currently based outside the Czech Republic in applying for Marie Skłodowska-Curie individual fellowship (www.ec.europa.eu/research/participants/portal/desktop/en/opportunities/h2020/topics/msca-if-2018.html)

as well as similar co-sponsored fellowships/grant schemes (e.g: Unicredit & Universities, AXA Research Funds, DAAD, Erasmus Mundus, GAČR).

We would like to offer the possibility to become a member our MUEEL Laboratory of Experimental Economics (www.mueel.econ.muni.cz/home/), Masaryk University - Brno. In October 2017 we opened two state-of-the-art laboratories that are one of the most modern facilities in Europe. Our research is being published in leading journals, funded by prestigious and highly competitive research bodies, and has a significant and identifiable impact on wider society both in the Czech Republic and internationally.

MUEEL main research focuses are:

- Experimental Economics (lab and field experiments)
- Neuroeconomics (fMRI)
- Empirical Behavioral Economics
- Behavioral Public Economics/Administration

The MUEEL research team is regularly engaged in interdisciplinary research with CEITEC - Central European Institute Technology (www.ceitec.eu: neuroeconomics) and HUME lab / LEVYNA (www.humelab.cz / www.levyna.cz: experimental anthropology). MUEEL is also very active in facilitating a vibrant program of conferences, workshops, seminars and research traineeships. These activities provide a dynamic environment to develop and enhance research collaborations with international academics. MUEEL team is keen to build on its existing strengths by attracting young scholars with outstanding potential.

Potential candidates can express their interest by April 20th, 2018 via email to: tommaso.reggiani@econ.muni.cz.

Candidates should attach [i] an updated CV, [ii] a letter of presentation (1 page max), [iii] an abstract of the potential research proposal (2 pages max).
