

INSTRUCTION FOR STUDENTS OF THE FACULTY OF ECONOMICS AND ADMINISTRATION MASARYK UNIVERSITY TO SECURE FIRE PREVENTION

Obligations of students of Faculty of economics and administration MU (ESF MU) are based on the Act on Fire Prevention. The student is always obliged to act in the premises of the faculty, so that his/her activities may not cause the fire, especially by using thermal and electrical appliances, storing and using fire hazardous substances and materials. In particular, to comply with the orders and prohibitions related to fire protection in places which are marked with warning tables. Setting the workplace to unexceptionable state in terms of fire protection is required before leaving the workplace.

Students are required to make themselves familiar with the provisions of fire alarm rules and fire evacuation plans located in the corridors.

There is an absolute ban on smoking and any handling with an open fire on the premises of the ESF MU. Students must not carry out activities that could lead to fire, not to use private electrical and gas appliances (except notebooks), not harm or abuse portable fire extinguishers and other fire protection means, and they are not entitled to interfere with the electrical installation of the building.

Everyone is required in connection with the fire emergency:

- To try to extinguish the fire with fire devices (portable fire extinguishers); after shutting the power, wall water hydrants can be used;
- To report fire at the reception desk of the faculty (in person, by telephone or EPS button), or to ensure its announcement;
- To take the necessary measures to save endangered persons;
- To provide all information about the fire to firefighters, to provide appropriate personal assistance if necessary.

Use the shortest escape route for the evacuation from the dangerous area. There is a ban on the use of elevators in case of fire!

Hereby I confirm that I have been acquainted with the above instructions, that I understand them, and that I shall observe them.
