

## Get real work experience!

### IBM Internship Program 2013

The IBM Delivery Centre team in Brno makes it possible for you to take part in interesting IT projects within The Internship Program. This program is available from March – June 2013.

**IBM Delivery Center Czech Republic Brno is one of the biggest and most diverse IBM centers of its kind worldwide.** Brno centre core activities focus on providing strategic outsourcing services, remote server and application support, networking services and end customer support.

#### Automation developer in Middleware team

You will have the opportunity to become part of Middleware team (2<sup>nd</sup> and 3<sup>rd</sup> level). This team provides complex service on Middleware layer/infrastructure (WebSphere Application Server, Apache Tomcat, Apache HTTP Server, Oracle WebLogic, RedHat JBOSS) for our corporate clients from various branches of business (financial, automotive, logistic....) mainly from EU.

Typical activities of the team:

Incident management - solution/troubleshooting of technical incidents in production environment

Problem management - analysis of repeating incidents, preparation of root cause analysis

Change management - implementations of changes (configuration, deployment, installation)

Projects - proposals/design/build new production environments for clients.

The project is focused on development of new or enhancement of existing tools, used for administration of middleware environment. Used programming language is Perl or shell scripts. Next part of the project is development of VB macros in MS Excel for evaluation of statistical data.

#### Skills required:

- mandatory: Perl, shell scripting
- optional (advantage): VB macros for MS Excel, administration of UNIX servers

#### You will have the opportunity to:

- get hands-on experience in an **IT leading global company**
- **meet the TOP IT experts in the world**
- have individual support from **your own mentor**
- improve your English skills
- attend **internal IBM trainings**
- meet people from all over the world
- **network**
- **have further cooperation with IBM**

Working hours are flexible, ideally 20 - 30 hrs per week. Detailed description of internship will be given at the interview.

Those interested should send us a CV and motivation letter in English to **lenka.dadova@cz.ibm.com** by Friday **February 8, 2013**. Should you have any questions, feel free to write to us.
