

Get real work experience!

IBM Internship Program 2013

The IBM Delivery Centre team in Brno makes it possible for you to take part in interesting IT projects within The Internship Program. This program is available from March – June 2013.

IBM Delivery Center Czech Republic Brno is one of the biggest and most diverse IBM centers of its kind worldwide. Brno centre core activities focus on providing strategic outsourcing services, remote server and application support, networking services and end customer support.

Education Coordinator Assistant

You will have the opportunity to become part of IT Security and Risk Management team and help set up program for internal IT security education, which will involve preparation of training plans.

Skills required:

- basic knowledge of IT security
- understanding of some particular area in IT security e.g. user ID management, health-checking, network security
- office documents processing

You will have the opportunity to:

- get hands-on experience in an **IT leading global company**
- **meet the TOP IT experts in the world**
- have individual support from **your own mentor**
- improve your English skills
- attend **internal IBM trainings**
- meet people from all over the world
- **network**
- **have further cooperation with IBM**

Working hours are flexible, ideally 20 - 30 hrs per week. Detailed description of internship will be given at the interview.

Those interested should send us a CV and motivation letter in English to lenka.dadova@cz.ibm.com by Friday **February 8, 2013**. Should you have any questions, feel free to write to us.
