

## Get real work experience!

### IBM Internship Program 2013

The IBM Delivery Centre team in Brno makes it possible for you to take part in interesting IT projects within The Internship Program. This program is available from March – June 2013.

**IBM Delivery Center Czech Republic Brno is one of the biggest and most diverse IBM centers of its kind worldwide.** Brno centre core activities focus on providing strategic outsourcing services, remote server and application support, networking services and end customer support.

#### Database development project

You will have the opportunity to become part of Account Management team and help develop and implement an online database and portal for hardware and software maintenance. Within this project an existing Excel sheet should be transferred into a database with Multi User Access, different access rights (read, write, etc). The database should have a web portal (GUI) which shows different views for Administrators and Customers. The Portal should be accessible from the IBM intranet and the customer network. For the platform, free and IBM available tools and software should be used.

#### Description of roles:

The role we are looking for is a programmer, who is closely working with the Teams, supporting the user requirements, creating a project / implementation plan, developing the platform, running a test and describing the implementation.

#### Skills required:

- Programming Skills
- MS Office - Excel
- English - (Good >>> Fluent level)

#### You will have the opportunity to:

- get hands-on experience in an **IT leading global company**
- **meet the TOP IT experts in the world**
- have individual support from **your own mentor**
- improve your English skills
- attend **internal IBM trainings**
- meet people from all over the world
- **network**
- **have further cooperation with IBM**

Working hours are flexible, ideally 20 - 30 hrs per week. Detailed description of internship will be given at the interview.

Those interested should send us a CV and motivation letter in English to **lenka.dadova@cz.ibm.com** by Friday **February 8, 2013**. Should you have any questions, feel free to write to us.
