IBM Internship Program 2013

The IBM Delivery Centre team in Brno makes it possible for you to take part in interesting IT projects within The Internship Program. This program is available from March – June 2013.

IBM Delivery Center Czech Republic Brno is one of the biggest and most diverse IBM centers of its kind worldwide. Brno centre core activities focus on providing strategic outsourcing services, remote server and application support, networking services and end customer support.

Project Management Assistant

You will have the opportunity to become part of Project Management team and work on a given project and support the project manager. Specific project will be described at the interview.

Work activities:

- define project scope
- develop project plans
- ensure that all necessary approvals have been obtained during the project life cycle
- liaise with the project customer representative regarding project objectives, deliverables and timescales including regular status reporting
- identify, quantify and manage project risks and issues
- coordinate project changes

Skills required:

- project management (junior)
- proactive approach
- skills: communication, organization, teamwork, time management
- advanced knowledge of MS office
- good level of English

You will have the opportunity to:

- get hands-on experience in an **IT leading global company**
- **meet the TOP IT experts in the world**
- have individual support from **your own mentor**
- improve your English skills
- attend **internal IBM trainings**
- meet people from all over the world
- **network**
- **have further cooperation with IBM**

Working hours are flexible, ideally 20 - 30 hrs per week. Detailed description of internship will be given at the interview.

Those interested should send us a CV and motivation letter in English to **lenka.dadova@cz.ibm.com** by Friday **February 8, 2013**. Should you have any questions, feel free to write to us.
