

## Get real work experience!

### IBM Internship Program 2013

The IBM Delivery Centre team in Brno makes it possible for you to take part in interesting IT projects within The Internship Program. This program is available from March – June 2013.

**IBM Delivery Center Czech Republic Brno is one of the biggest and most diverse IBM centers of its kind worldwide.** Brno centre core activities focus on providing strategic outsourcing services, remote server and application support, networking services and end customer support.

#### Newcomers Guideline Project

You will have the opportunity to become part of 2nd level Windows server support team. This team supports the customer with facilities all over the world.

You will cooperate with team leader creating the most necessary documentation for newcomer's establishment in the team. The documentation will contain technical, but also non-technical information to let newcomer comfortably establish in the team and also in Brno city.

You will be taking pieces of advice from the team members and creating presentations and technical documentation for our newcomers. You will spend a lot of time with team management discussing the options to have overview of team main activities.

#### Skills required:

- accountability
- creativity
- technical background (optional)

#### You will have the opportunity to:

- get hands-on experience in an **IT leading global company**
- **meet the TOP IT experts in the world**
- have individual support from **your own mentor**
- improve your English skills
- attend **internal IBM trainings**
- meet people from all over the world
- **network**
- **have further cooperation with IBM**

Working hours are flexible, ideally 20 - 30 hrs per week. Detailed description of internship will be given at the interview.

Those interested should send us a CV and motivation letter in English to **lenka.dadova@cz.ibm.com** by Friday **February 8, 2013**. Should you have any questions, feel free to write to us.
