About HAYS

Hays Belgium is one of the leaders in the market in the world of recruitment and selection, for recruiting qualified and skilled professionals on a permanent or temporary basis or for contracting/freelance employment. Hays Belgium counts more than 100 employees in eleven offices and across ten cities nationwide. Our regional focus combined with our international network allows us to work together with multinationals as well as local companies. Currently we have three sub brands, Hays Recruiting experts worldwide, Hays Executive and Hays Response, working on temporary, permanent and contracting/freelance positions for clients in the public and private sector. Our head offices are located in Kuurne, this is the centre of our back-office services such as Administration, Facilities, Finance, HR, IT, Legal and Marketing. Next to our recruitment & selection services, we offer more specific services to our clients: Our Digital & Creative Services offer online and offline targetted recruitment campaign to our clients. Our Assessment & Development centre offers clients the opportunity to assess current and future employees. A&D offers clients the possibility to test the competences of their current employees in order to make them advance in there career. Moreover, thanks to A&D clients can also assess the competences of future employees to make sure they make the right choice.
