

Get real work experience!

IBM Internship Program 2013/2014

IBM Delivery Centre team in Brno makes it possible for you to take part in interesting projects within The Internship Program. This program is available from October 2013 – February/March 2014.

IBM Delivery Center Czech Republic Brno is one of the biggest and most diverse IBM centers of its kind worldwide. Brno centre core activities focus on providing strategic outsourcing services, remote server and application support, networking services and end customer support.

Junior Project Manager

In our team we are running global projects in the areas of infrastructure, business applications and IBM strategic programs. In this project your task will be to set up a management system for measurements of PMs and programme managers' performance across IBM sites (Czech Republic, Poland, India, Malaysia, France).

Description of roles:

- Design a performance tracking system
- Design a performance report
- Consolidate data
- Work with teams (portfolio managers, first line managers) to collect information
- Set up a system to have the data updated on a quarterly basis

Skills required:

- Advanced Excel (macros, Visual Basic)
- Analytical skills
- Ability to work independently
- Detail oriented

You will have the opportunity to:

- Get hands-on experience in an **IT leading global company**
- **Meet the TOP IT experts in the world**
- Have individual support from **your own mentor**
- Improve your English skills
- Attend **internal IBM trainings**
- Meet people from all over the world
- **Network**
- **Have further cooperation with IBM**

Detailed description of the internship position will be given at the interview.

If you are interested, send us your CV and motivation letter in English to irena.petovska@cz.ibm.com by Monday **September 16, 2013**. Should you have any questions, feel free to write to us.
