# Interim Project – Ruby on Rails developer

## About Hlídačky.cz

The #1 marketplace for babysitting & cleaning in Czech Republic. Started as SSME Interim Project. StartupYard acceleration program winner.

We are startup – your work will have significant impact in terms of business and our technological stack. For 2016 we are planning extensive product changes: transaction payments for sitting & cleaning, deep integration with localization services and mixpanel analytics, upgrade of mobile API, Rails 5 Action Cable integration etc.

## Required

- Ruby

## Nice to have

- Ruby on Rails, HTML5, CSS3, Bootstrap

- JavaScript (jQuery), git, SQL, Heroku

## How we work?

- agile & pair-programming – we will help you get into the codebase
