Interim Project – Hlídačky.cz mobile app developer

We are looking for an awesome developer who can revive our mobile apps (currently native iOS and Android) using hybrid approach so we can iterate in much quicker pace on new releases.

Required

- native Android/iOS or HTML mobile apps experience

- interested in hybrid approach mobile apps (native shell + HTML5)

Nice to have

- REST API and JSON

How do we work?

- iterate daily – we strive for a fast feedback loop from our users

- entrepreneurial spirit – features driven by business needs

- friendly environment – no crunch times

- free babysitting & cleaning & pet-care included:)

About Hlídačky.cz

The #1 babysitting & cleaning & pet-care marketplace in the Czech Republic. Co-founded by FI MUNI alumni. Accelerated in StartupYard.

We are startup – your work will have a significant impact in terms of business and our technological stack.
