Social

- PES tournament problems, the janitors say that the room was left in a mess and that the noise levels were unacceptable. Dale will talk with Spolek to see what the situation is.
- Indoor tournament is happening at the VUT building on the 21st, we will have 8-12 teams for an appropriate price so as not to make such a big loss. The time will be from 12-17:00 about 5 hours of play

Education

- Anatomy sessions, more people to teach this week, we will need more people to "teach" and a bigger room in the future.
- Chemistry study skills seminar to be held for people who have problems, we should also encourage people to come to the office if they have further problems with subjects.

Treasurer

- We have been offered sponsorship by a bookstore, we conclude that it isn't a conflict of interest and will work with them to try and provide our students with better discounts in the future.

IT

- Some of the emails are now incorrect on our website- Roye will update them to the new ones-
