Orientation week 2011

Important contacts:

Petra (Desk worker- speaks Czech, Spanish, German)

Financial budget:

Personal budget: 2hours= 240Kč per lane (was divided between 10 players-> 24kč each) this price is after special 50% discount we arranged in advance with the manager of the place.
Prizes for winning Person (I love Brno-MIMSA t-shirt)- 100kč

Evaluation of events:

Due to the large number of people, the all board members where required to handle a lane.
Since not all of them where available, the arrangement of groups and starting of games where delayed in around an hour!
We have put in each lane a paper with 10 slots to be filled by the players. Then, when each lane was full we sent the teams, one-by-one to pay (they collected money) and get the shoes.

What to do differently in the future:

Make sure all of the board members will come and take part of the organization.
Deal papers already on the way (Olympia bus) and get the Freshers arrange in teams, so upon arrival to the venue they will be able to start as soon as possible to play. (the games started relatively late and finished late- everyone were very tired)

Please have the report handed to the Secretary a maximum of 7 days after the event occurred-
