UpToDate

The screenshot displays the UpToDate website interface. At the top, the 'UpToDate' logo is centered. To its right is a language dropdown menu set to 'English' and a search bar labeled 'Search UpToDate'. Below the logo, a horizontal navigation bar contains links for 'WHY UPTODATE?', 'PRODUCT', 'EDITORIAL', 'SUBSCRIPTION OPTIONS', 'SUBSCRIBE', 'About Us', 'News & Events', 'Contact Us', 'Help', and 'Log in'. The 'Wolters Kluwer Health' logo is positioned on the right side of this bar. A secondary navigation bar below it reads 'WOLTERS KLUWER HEALTH CLINICAL SOLUTIONS'. The main content area features a green box with the text 'What's NEW'. To its right, a headline reads: 'Meta-analysis confirms benefit of early intravenous alteplase for eligible patients with acute ischemic stroke', with a 'Learn More >>' link. Below this, a sub-headline states: 'Smarter Decisions. Better Care.' followed by a paragraph: 'UpToDate® is the premier evidence-based clinical decision support resource, trusted worldwide by healthcare practitioners to help them make the right decisions at the point of care. It is proven to change the way clinicians practice medicine, and is the only resource of its kind associated with improved outcomes.' The lower section of the page is divided into several user-specific categories, each with an icon, a title, a brief description, and a 'Learn more >' link: 'Hospitals or institutions' (icon of a building), 'Medical Professionals' (icon of a stethoscope), 'Group Practices' (icon of three people), 'Residents, Fellows and Students' (icon of a caduceus), 'Librarians' (icon of a laptop), and 'Patients and Caregivers' (icon of a person). On the right side, there is a 'Subscribe' button, a 'Try UpToDate' section with a search bar, and a 'Follow UpToDate' section with social media icons for Facebook, Twitter, LinkedIn, and YouTube. At the bottom right, there is a section for 'UpToDate for Mobile Devices' with a 'Learn More >' link and an image of a hand holding a smartphone.

A group of approximately 12 medical professionals, including doctors and nurses, are posed for a group photo in a brightly lit room. They are dressed in white lab coats over various attire. The room features large windows with horizontal blinds, a projector screen hanging from the ceiling, and a tiled floor. The overall atmosphere is professional and collaborative.
