

## DEAN'S ORDER NO. 5/2005

### Concerning compulsory vaccination against viral hepatitis B

In accord with Art. 6, § 11 of the Regulation of the Ministry of Health No. 439/2000 of the Coll., I hereby issue this Order concerning compulsory vaccination against viral hepatitis B:

1. As a prerequisite for the student's enrolment on 4<sup>th</sup> semester of all the study fields at the MU Faculty of Medicine, I officially stipulate submittal of a certificate on completed vaccination against viral hepatitis B or on examination of the titre of antibodies against HBsAg with a result exceeding 10 IU/litre.
2. The compulsory protective vaccination against viral hepatitis B is considered as complete following application of the third dose.
3. The student may prove his/her certificate on protective vaccination or examination of the titre of antibodies against HBsAg with a result exceeding 10 IU/litre by one of the following alternatives:  
A certificate in writing issued by the respective health-providing institution on the form entitled "Certificate on Vaccination";  
A photocopy of the Vaccination Card certified according to original by the Faculty's Department of Study Affairs;  
A certification (i.e., seal, signature, and date of completed vaccination or examination of the titre of antibodies against HbsAg with a result exceeding 10 IU/litre) of the respective health-providing institution directly marked in the student's course-unit book ("index") in the section "Úřední záznam" (Official Records).
4. If a student fails to fulfil this duty, he or she shall not be allowed to meet their study obligations and commitments and shall not be enrolled in the 4<sup>th</sup> semester of studies at the MU Faculty of Medicine.

The present Order becomes effective and applicable by the day of its signing by the Dean.

Updatings and actualisations of this Order are fully in the liability of the corresponding vice-deans for degree programmes.

Prof. MUDr. Jan Žaloudík, CSc., m.p.  
Dean
