**C O N T E N T**  
**for organization of the Nursing Vocational Training in Dentistry**  
**2<sup>nd</sup> year students of Dentistry**

The aim of the summer vocational practical training after the 2<sup>nd</sup> year of study is to get acquainted with the activities of General Nurse at an inpatient nursing ward, especially with the following:

- categories of non-medical health-care assistants and health workers at a nursing ward, principles of mutual co-operation and communication;
- the character of a nursing ward, its equipment and location of aids, organization/schedule of work at the department/clinic;
- forms of organization of the nursing care;
- keeping health-care and nursing documentation (patient records), assessment scales (for example Scale for assessing the risk of falls, a scale of risk assessment of pressure ulcers, Test Activities of Daily Living (ADL), Rating scales of pain assessment, Nutritional screening, Categories of patients according to relevant regulations);
- realization of the nursing-care process, i.e. taking individual nursing care of a patient, based on the knowledge of the bio-psycho-social needs and problems of the patient, making nursing-care diagnoses, setting the aims and plans of nursing-care activities, and evaluation of nursing-care interventions;
- basic principles of prevention against hospital-acquired infections and aseptic procedures of work.

**The length of practical training:**

**One week** at the surgery or internal medicine department, a **total of 30 hours**.

A student is entitled to a 30-minute break in a shift (it is not counted as working time under the Labour Code).

**Duties of students:**

- To take part, in co-operation with the nurse in charge, in the organization of the nursing care.
- To comply with the duty of confidentiality under the legislation.
- To work in compliance with ETHICAL CODES especially the *Nursing Ethical Code* and the *Rights of the Patients*.
- To observe the regulations of hygiene and epidemiology.
- To observe the fixed working hours.
- To be dressed in an orderly way according to the agreed rules Directive, Masaryk University No. 1/2016 *Code of Conduct students participating in clinical teaching and practice*.
