At the Faculty of Medicine, the "english" templates are also used in Czech phd programmes, if the thesis is written in the English language. 2. An integral part of the template is a user manual. The manual describes how to set opening pages, use built-in styles, insert figures and tables, and generate special content. Unauthorized changes in the document make it very easy to disrupt its structure and destroy formatting. Click in this frame and press the DELETE key to remove this warning
