- Professor **Mary O'Connel** (acting secretary), ERA Chair MUNI

## Section C

### **MISSION**

The mission of MU ISAB shall be threefold:

- To help guide MU current and future research strategy and plan;
- To provide the rector and MU leadership with independent, open, credible, highly professional, and timely scientific review and advice on specific academic matters;
- To enhance awareness of MU in the member's respective communities.

## Section D

### **OBJECTIVES**

The objectives of MU ISAB include namely:

- Critical feedback on early reports and selected strategic papers referred to MU ISAB;
- Advice on research directions of MU;
- Overseeing the PhD training system;
- Overseeing the rules as defined yearly for internal MU grant agency;
- Advice on commercial research activities and interactions with the industry;
- Involvement in internal MU research evaluation system;
- Advice on internationalization strategy and strategic partnership of MU;
- Advice on development of research infrastructure;
- Advice on recruitment and career development policy concerning research;
- Advice on administrative structures within MU;
- Any other comments and advice as may be requested by MU rector in consultation with ISAB chairman.
