

## CONTENTS

VAŇHARA J. & ROZKOŠNÝ R.: The 13th Seminar of Czech and Slovak Dipterists and a review of their previous meetings .....	5
BARTÁK M.: The biomonitoring of Diptera by means of yellow pan water traps .....	9
BITUŠÍK P. & HAMERLÍK L.: An assessment of pollution of the man-made reservoirs in the Banská Štiavnica mine region based on profundal chironomid associations (Diptera, Chironomidae) .....	17
BOSÁK J.: Scenopinidae (Diptera) of the Czech and Slovak Republics .....	23
BRABEC K.: Distribution of chironomid larvae (Diptera, Chironomidae) in the river section influenced by a reservoir.....	27
BULÁNKOVÁ E. & HALGOŠ J.: New data on the distribution of Blephariceridae (Diptera) in Slovakia .....	37
CHVÁLA M.: Additions and corrections to the faunistic data of the family Empididae (Diptera).....	43
HOLINKA J.: Occurrence of hoverflies (Diptera, Syrphidae) in the environs of Pardubice.....	47
ILLÉŠOVÁ D. & HALGOŠ J.: The typification of spring areas according to black fly coenoses in Slovakia (Diptera, Simuliidae) .....	57
JEŽEK J.: Redescription and figures of males of two little known Tonnoir's species of moth flies (Diptera, Psychodidae) .....	63
KINKOROVÁ J.: Biology of <i>Oxya parietina</i> (Diptera, Tephritidae) on <i>Artemisia vulgaris</i> (Asteraceae) in the Czech Republic .....	73
KNOZ J.: Ceratopogonidae (Diptera) recorded firstly in the Czech and Slovak Republics .....	77
KOVAC D. & ROZKOŠNÝ R.: Contributions to the taxonomy and biology of Malaysian soldier flies (Diptera, Stratiomyidae) .....	89
KUBÍK Š. & ROHÁČEK J.: New records of Chloropidae (Diptera) from the Czech and Slovak Republics .....	93
KULA E. & LÁSKA P.: Hoverflies (Diptera, Syrphidae) in forest stands of Děčínský Sněžník Hill .....	97
LÁSKA P. & BIČÍK V.: Mimicry in Syrphidae (Diptera) and Crabronidae (Hymenoptera) .....	105
MÁČA J.: New and interesting records of Lonchaeidae (Diptera) from the Czech and Slovak Republics .....	107
MARTINEK V.: The newest finds of some species of the group Acalyptrata (Diptera) in the territory of the Czech and Slovak Republics.....	111
MAZÁNEK L. & BIČÍK V.: Syrphids (Diptera, Syrphidae) of Litovelské Pomoraví and the Vsetínské vrchy Hills .....	115
MINÁŘ J. & HALGOŠ J.: Zoogeographically significant mosquitoes in the territory of Bohemia and Slovakia .....	129
MRÁZ R.: Contribution to the knowledge of the genus <i>Culicoides</i> in Scandinavia (Diptera, Ceratopogonidae) .....	133

OLEJNÍČEK J. & BARTÁK M.: Some faunistically interesting Dolichopodidae (Diptera) from Europe .....	137
RETTICH F.: New repellents and insecticide evaporators for personal protection against biting dipterans .....	141
ROHÁČEK J.: <i>Borboropsis</i> and <i>Oldenbergiella</i> (Diptera, Heleomyzidae) in the Czech and Slovak Republics: faunistic records and notes on their biology ..	145
SKUHRAVÁ M.: Gall midges (Diptera, Cecidomyiidae) of the Czech and Slovak Republics as members of zoogeographical units in the Palaearctic Region .....	149
STLOUKALOVÁ V.: Life cycle of <i>Prosimulium hirtipes</i> (Diptera, Simuliidae)..	173
STOLLÁR Š.: The hoverflies (Diptera, Syrphidae) at Mochovce, the construction area of a nuclear power station .....	181
VANĀHARA J.: Expressing site quality by means of the Species Quality Index (S.Q.I.) on the example of Diptera (In Czech) .....	185
VANĀHARA J. & ROZKOŠNÝ R.: Long-term development of floodplain forest Diptera (Brachycera) in the lower part of the Dyje River .....	193
ZAVADIL V., KOLMAN P. & MAŘÍK J.: Frogs myiasis in the Czech Republic with regard to its occurrence in the Cheb district and comments on the bionomics of <i>Lucilia bufonivora</i> (Diptera, Calliphoridae) .....	201
FAUNISTIC RECORDS FROM THE ČZECH AND SLOVAK REPUBLICS: DIPTERA	
Trichoceridae, Limoniidae, Pediciidae (J. Starý) .....	211
Tipulidae, Thaumaleidae (J. Martinovský) .....	212
Keroplastidae, Mycetophilidae (J. Martinovský & J. Ševčík) .....	213
Mycetophilidae (V. Košel & P. Laštovka) .....	214
Stratiomyidae, Sciomyzidae (R. Rozkošný) .....	215
Asilidae (J. Bosák & M. Hradský) .....	216
Bombyliidae (J. Bosák) .....	216
Empididae, Lonchoceridae, Conopidae, Sepsidae, Piophilidae (M. Barták) .....	217
Hybotidae (M. Chvála) .....	218
Phoridae (B. Mocek) .....	220
Pipunculidae (P. Lauterer) .....	222
Syrphidae (J. Holinka, L. Mazánek, V. Vysoký, J. Martinovský & E. Kula) .....	224
Sepsidae, Piophilidae, Chloropidae (M. Barták, V. Zeman & J. Zuska) .....	226
Chamaemyiidae (V. Lapáček) .....	227
Drosophilidae, Odiniidae (J. Máca) .....	228
Chyromyidae (M. Barták & J. Roháček) .....	228
Scathophagidae (F. Šifner) .....	229
Anthomyiidae, Muscidae (J. Čepelák & R. Rozkošný) .....	229
Fanniidae, Muscidae (F. Gregor) .....	229
Calliphoridae (J. Čepelák, F. Gregor & R. Rozkošný) .....	233
Sarcophagidae (D. Povolný) .....	234
Tachinidae: part 1 (J. Čepelák) .....	235
part 2 (M. Barták, H.-P. Tschorsnig & J. VanĀhara) .....	235
