

Where to find eBooks available for MU?

Masaryk University enables online access to many eBook collections and journals. Online resources are automatically available from computers inside the university network. Remote access is needed for access from home or other workplace. We recommend browser Discovery for finding eBooks and journals recently available at MU → <http://discovery.muni.cz/>

Step 1

Hello, Guest. Login for full access.

New Search List of available journals and books at MU Preferences Čeština Contact Help Nápověda (CZ)

MUNI
DISCOVERY

Search the information resources for **Masaryk University**

Keyword

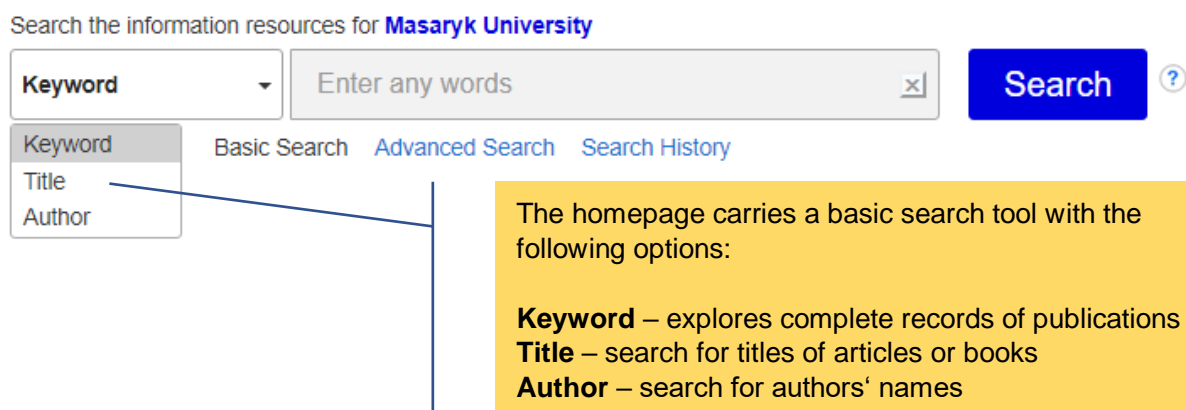

Search Options ▶ Basic Search Advanced Search Sea

Open website <http://discovery.muni.cz> and switch to English.

When you work on a PC outside of the university network, first click on the yellow bar to sign for remote access. The login is your UČO and secondary password.

This step is essential for access to full text of eBooks and articles.

Step 2

Search the information resources for **Masaryk University**

Keyword ?

Keyword
Title
Author

Basic Search Advanced Search Search History

The homepage carries a basic search tool with the following options:

Keyword – explores complete records of publications
Title – search for titles of articles or books
Author – search for authors' names

Step 3

Search the information resources for **Masaryk University**

[Search Options](#)
[Basic Search](#)
[Advanced Search](#)
[Search History](#)

Select Title and type in the name of the specific book you're looking for in the search field. (Select keyword when looking for any resources of your domain, e.g. physiology)

Step 4

Publication Date
