

Ten commandments for motivating learners:

- 1 Set a personal example with your own behavior.*
- 2 Create a pleasant, relaxed atmosphere in the classroom.*
- 3 Present the tasks properly.*
- 4 Develop a good relationship with the learners.*
- 5 Increase the learner's linguistic self-confidence.*
- 6 Make the classes interesting.*
- 7 Promote learner autonomy.*
- 8 Personalize the learning process.*
- 9 Increase the learners' goal-orientedness.*
- 10 Familiarize learners with the target language culture.*
