

I am a 36 years old English instructor with wide experience in different fields, Education is unexpectedly my favorite.

Who am I?

Life

Didn't speak proper English till the age of 18. Never thought of being a teacher. Finished my education late. Started the professional career in education since 2015.

An English Teacher father, and 3 brothers. Didn't know the importance of education till later in my life

B.A of Art, Major is English Language & Literature

Major influence is my Mom. Then my mistakes. I've learnt a lot from challenging my father

Work

Started teaching as a profession in 2015 at Dawha International School in Sharjah.

1

Starting education as profession

2

Moving back to Jordan to teach, joining World Associates

3

Promoted to head of English and Humanities Dept.

Influence

Deleted the awards slide for my biggest award is the influence and the fingerprint left.
