

Where do you work?

When have you been to the beach?

What's today?

When will you go on holiday next?

What do you think of this room?

What will you do on the weekend?

What do you think about politics?

What did you do last weekend?

Why are you here?

What do you think about teaching?

When do you study something?

Where will you go?

How do you travel to work?

What have you eaten just before?

Was your breakfast your favourite?

When was your mother born?

What do you think about dogs?

What's the weather like?
