

Presentation Skills - PhD - CEITEC (CJV_AP02)

Spring 2023

Materials

This is a practical, experiential learning course. We will work with presentation material that you produce yourself.

The course is divided into three blocks:

1. Body language

- 1.1. Your voice
- 1.2. Your face
- 1.3. Your body

2. Visual aids

- 2.1. Slides that work and slides that don't
- 2.2. Composition
- 2.3. Text, images and you

3. The main message

- 3.1. Six-minute presentation
- 3.2. Four-minute presentation
- 3.3. Two-minute presentation

In each class, when we have time left, we will practice:

- Spontaneous speaking
- Questions and answers
- Audience awareness

NOTE

- * You must bring new work to class each week
- * You must fully participate in all critiques, both giving and receiving feedback
- * You may not be absent more than twice without a valid reason
- * You must upload your last three presentations to the IS
