

## 1. Introduction (21. 9.)

*Lecturer: Pavel Pšěja*

## 2. The notion of Central Europe and its relationship to the history of the region (5. 10.)

*Lecturer: Pavel Pšěja*

Objective: to inform students about the broad background and differing dimensions of the notion of Central Europe.

Lecture: The term “Central Europe” will be discussed in some depth, especially with regard to different cultural, political and social interpretations of the area. The lecture aims at explaining specific features of Central European culture and identity, thus giving specific background to further discussions in classes. Students will be invited to express their own opinions on the phenomenon and compare it with their respective societies, their own cultural and historical roots.
