

# CONDITIONALS

Zero type: If you multiply 2 by 2 you get 4

Type 1: If the weather is fine we will go for a walk.

Type 2: If I were an IT specialist I would have a good salary.

Type 3. If I had studied well at high school I would have passed my exams with flying colours.

Mixed 1: If I liked spaghetti I would have ordered them.

Mixed 2: If I had studied well at school I would be a good a good specialist now.
