

INTERNET SOURCES FOR TEACHERS (AND STUDENTS)

<http://www.bbc.co.uk/worldservice/learningenglish/> - we all use... (?)

<http://www.bbc.co.uk/czech/learningenglish/> - course based on different topics – new vocabulary, business briefs... all free (.doc transcription doesn't work)

<http://www.englishpod.com/> - business english – free listenings, u have to subscribe and pay to get tapescripts and lesson plans etc...

<http://www.englishcaster.com/bobrob/> - Bob and Rob comment on different topics from two different perspectives (Am and Br)

<http://www.english-coach.com/> - free explanation of grammar, examples, free sheets and tests

<http://www.helpforenglish.cz/> - a „czech help“, lots of praktice

<http://www.better-english.com/> - an interactive online course, free, printable from MSWord, BUT no key, no explanation, pure praktice and correction, lot sof business english stuff

<http://www.learnenglishfeelgood.com/> - excercises in .pdf or online, great video excercises (but you need flash macromedia)

<http://www.englishpage.com/> - online praktice (loads!!!)

<http://ludek.euweb.cz/englishbobek/gram2002.htm> - english grammar explained in Czech... Good sources so to be trusted – help for the students

<http://www.manythings.org/> - many different things and activities online or printable☺

<http://www.eslgold.com/business/> - loads of different things, different levels, cool for BE, tips, handouts...

<http://www.eslgo.com/> - handouts, interactive praktice tec.

<http://esl.about.com/od/englishforbusinesswork/> - nice tools for e.g. abbreviations, skills...

<http://www.usingenglish.com/>
