

EMPHASIS – answer key

- 1 Not only didn't he get the job but he lost his current job.
- 2 What surveys show is that our customers prefer a less formal approach.
- 3 It is his problems at home that explain his strange behaviour at work.
- 4 On no account should you lend your money to them
- 5 Never have the markets risen this quickly before.
- 6 Only in extreme cases can an employee complain about a manager.
