- Well, the consultants gave us a full summary of their findings.

- And what did they say exactly?

- They said they wanted us to sell our European subsidiary.

- What! They're not suggesting we get rid of it completely, are they?

- I'm afraid they are, yes. The bottom line is that we may have to close the whole business if we don't.

- So, what did the European director have to say about that?

- In short, she is refusing to consider that.

- I wonder what the outcome will be.
