

MPE_AMEM: Presentation 2

Tomas Motl, Course for Masaryk University, Spring 2022

Goal

Explain developments in Azerbaijan in 2015-2017.

Points to focus on:

- development in GDP, inflation, exchange rate, interest rate
- do not just describe data:
 - explain the trigger (shock, cause of the movements)
 - explain transmission mechanism from the shock to macro variables
 - explain also monetary policy reaction to the shock - evaluate whether policy reaction was good or not

Format

Approximately 10-15 slides.

No need for too much text.

Use charts where appropriate.
