

## **MPH\_AHMR course**

### **Written team reflection assignment :**

Prepare a written reflection of what you have learned during the semester in the course.

The reflection must answer the following questions:

- a) What is the most important knowledge or skills you gained during the course (1-4 specific knowledge/skills) and why?
- b) What additional knowledge do you need to learn in HRM to succeed as a manager, company owner, or employee in HR? Why?
- c) How would you acquire such knowledge?

Students should discuss these questions in the group and describe the common conclusions and the differences.

Deadline: **12.5.2025** (submit as MS Word document in IS)

Page limit: minimum 250 words, maximum 750 words. Please use a consistent reference method when writing your paper e.g. ISO 690/ APA references. Students are not allowed to use generative AI tools to accomplish this assignment.

### **These rules are valid for the group project and written reflection:**

- a) Students are required to meet all deadlines. In case of late submission, the team will lose 2 points for every 60 minutes of delay.*
- b) The students are required to meet all the formal instructions. Assignments that violate the formal requirements (e.g., the text does not answer all the specified questions/tasks ) will be given 0 points.*
- c) For assignments, the first submitted version is evaluated - there is no possibility of correction.*
- d) Each student is responsible for the timely and quality submission of group assignments. Students are responsible for checking within the group that the final version of their group assignment has been submitted.*
- e) Complete work contributions and plagiarism protocol below.*

### **Methods of evaluation.**

You can earn 10 points (minimal condition: 1 point)
