Read this text and the words in capital letters below it. Change the form of the word so that it fits the numbered space.

I saw a film last week that was not very (0) .... It was a comedy but it was not very (1) .... But perhaps the real problem was not that the film was bad but that I was (2) .... The weather was very (3) .... that day too. To add to my problems, I was (4) .... because I had just had some very (5) .... news. I had been hoping to get a very (6) .... job that someone else got instead. In fact, I was very (7) .... I didn't get it because I was (8) ....that I had all the right qualifications. However, (9) .... things like this happen all the time, don't they? So why was I (10) .... ?
