## Lecture 12

### 2. 'Europeanisation' of public policy

- E.U. 'single public policy areas'?
- E.U. policies affect:
  - policy style;
  - general problem solving approach;
  - policy instruments employed;
  - policy standards set

# European Union Public Policy

## Lecture 12

- Europeanisation of :
  - pressure groups
  - interest groups
  - epistemic communities

# European Union Public Policy

## Lecture 12

4 processes of ‘Europeanisation’ of policy:

- a) ‘bottom-up’ (national state – E.U.)
- b) ‘top-down’ (E.U. – national state)
- c) ‘horizontal’ (State – State)
- d) ‘round-about’ (national state – E.U. – national state)

# European Union Public Policy

## Lecture 12

‘Europeanisation’ based on underlying E.U. principles and ‘core values’:

- social progress;
- high levels of employment;
- social protection;
- raising living standards and quality of life;
- promoting social cohesion and social justice

# European Union Public Policy

## Lecture 12

‘Europeanisation’

= overarching E.U. core values and principles, within which individual policies are shaped, and diversity and ‘mutual recognition’ acknowledged, particularly in implementation
