European Union Public Policy

Lecture 11

2. What do we mean by E.U. regional policy

- aim of E.U. regional policy is to promote *solidarity*
 - produce *cohesion* in E.U.
 - based on principle of subsidiarity
- over 271 regions, over 500 million people

European Union Public Policy

Lecture 11

- entire territories of 10 new Member States of May 2004 designated as falling within *Objective 1* of E.U. Structural Funds
- two-thirds of new E.U. citizens from 2004 accession states lived in regions with GDP per head of less than half average GDP of all 25 E.U. states

European Union Public Policy

Lecture 11

E.U. Regional funds:

1. The Structural Funds

- a) European Regional Development Fund;
- b) European Social Fund;
- c) Financial Instrument for Fisheries Guidance;
- d) European Agricultural Guidance and Guarantee Fund.

European Union Public Policy

Lecture 11

94% of Structural Funds for 2000-2006 was concentrated on 3 objectives;

Objective 1: Helping regions whose development was lagging behind to catch up;

Objective 2: Supporting economic and social conversion in industrial, rural, urban or fisheries dependent areas facing structural difficulties

European Union Public Policy

Lecture 11

Objective 3: Modernising systems of training and promoting employment.

2. The Cohesion Fund

- assist least prosperous E.U. countries
i.e. 10 newly acceded 2004 Member States, plus Greece, Spain, Portugal and (until end of 2003) Ireland

and health of all the inhabitants’.

E.U. Public Policy

Lecture 11

3. 'Europeanisation' of public policy

- E.U. 'single public policy areas'?
- E.U. policies affect:
 - policy style (formulation and implementation);
 - general problem solving approach;
 - policy instruments employed;
 - policy standards set (based on E.U values and principles)

European Union Public Policy

Lecture 11

- Europeanisation of :
 - pressure groups
 - interest groups
 - epistemic communities

European Union Public Policy

Lecture 11

4 processes of ‘Europeanisation’ of policy:

- a) ‘bottom-up’ (national state – E.U.)
- b) ‘top-down’ (E.U. – national state)
- c) ‘horizontal’ (State – State)
- d) ‘round-about’ (national state – E.U. – national state)

European Union Public Policy

Lecture 11

‘Europeanisation’ based on underlying E.U. principles and ‘core values’:

- social progress;
- the aim of high levels of employment;
- social protection;
- the aim of raising living standards and quality of life;
- promotion of social cohesion and social justice

European Union Public Policy

Lecture 11

‘Europeanisation’

= overarching E.U. core values and principles, within which individual policies are shaped, and diversity and ‘mutual recognition’ acknowledged, particularly in implementation to meet policy aims
