

The power to do more

Discover your future

Become a part of program for future leaders at Dell, join our

FINANCE GRADUATE PROGRAM 2015

Dell's one-year Finance Graduate Program (FGP) is a global development program with the aim to develop talent beyond analytical skills by focusing on key soft skills and interpersonal competencies necessary for success at Dell.

Dell Bratislava has been running the program since 2006 as an on the job learning combined with trainings in finance and business acumen, technical skills, finance systems, communication and presentation skills and case studies. Its aim is to form the future financial leaders in our organization

Finance Graduate Program is a full-time job opportunity in one of our financial organizations (financial planning, accounting, tax...) with a fixed term contract for 1 year.

After the graduate program the best of the class have the opportunity to continue in our Finance Development Program, a 2-year rotation program where you would have the chance for a 6 month international assignment.

WE ARE LOOKING FOR CANDIDATES WHO:

- are 2015 (full-time) graduates in Business & Finance
- are fluent English speakers & writers
- have strong presentation skills
- have strong academic record
- have very good computer skills

Previous intern experience preferred, foreign experience is an advantage.

WHAT DO WE OFFER?

- Full-time contract at Dell
- Trainings and educational opportunities
- 400 EUR Relocation Bonus
- Meal vouchers fully paid by the Employer
- External language course reimbursement
- Fitness center directly in the building & Sport activities for free
- Two cafés and a Canteen in the building
- High standard healthcare services

WHAT TO EXPECT AFTER YOUR APPLICATION?

1st step: telephone screening

2nd step: online tests

3rd step: panel interview

4th step: feedback provided or offer communicated
