PairID	identification number of a pair
Receiver_Raven	number of correctly solved raven matrices by the receiver
Sender_Raven	number of correctly solved raven matrices by the sender
Receiver_Gender	gender of the receiver (0=male,1=female)
Sender_Gender	gender of the sender (0=male,1=female)
Treatment	label of the treatment condition
Receiver_Confidence	confidence in percentages reported by the receiver
Sender_Confidence	confidence in percentages reported by the sender
Tournament	entry decision (1=enter the tournament, 0=does not entre), 1 in social and base

line treatments
