

Classwork N°12  
due to 18th May 2012

Exercise: “Text analysis using combinators”

*Give the formal semantic analysis of the following texts using combinators.*

*Please add some short comments on your analysis.*

1. *...Max opened the door. The room was pitch dark. He so switched on the light. John was waiting there. When John greeted him, Max felt a sharp pain from his back....*

2. *...Anna is drawing herself in front of a mirror. The deadline is announced by the teacher. All students should finish it fast. But some may need more times...*
