# StayFocusd

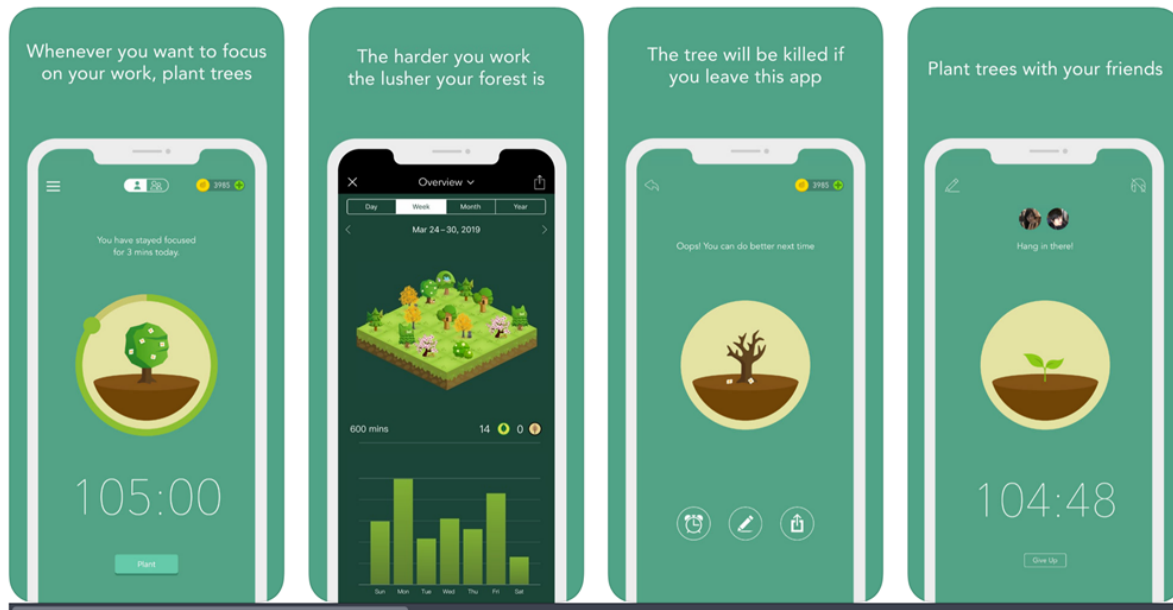

# Habitica

The screenshot displays the Habitica mobile application interface for a user named 'Iefnire'. At the top, the user's profile is shown with a level of 23, 46/50 hearts, 124/500 stars, and 25/108 coins. A row of avatars represents the user's party, with levels ranging from 31 to 90.

The main interface is divided into four columns:

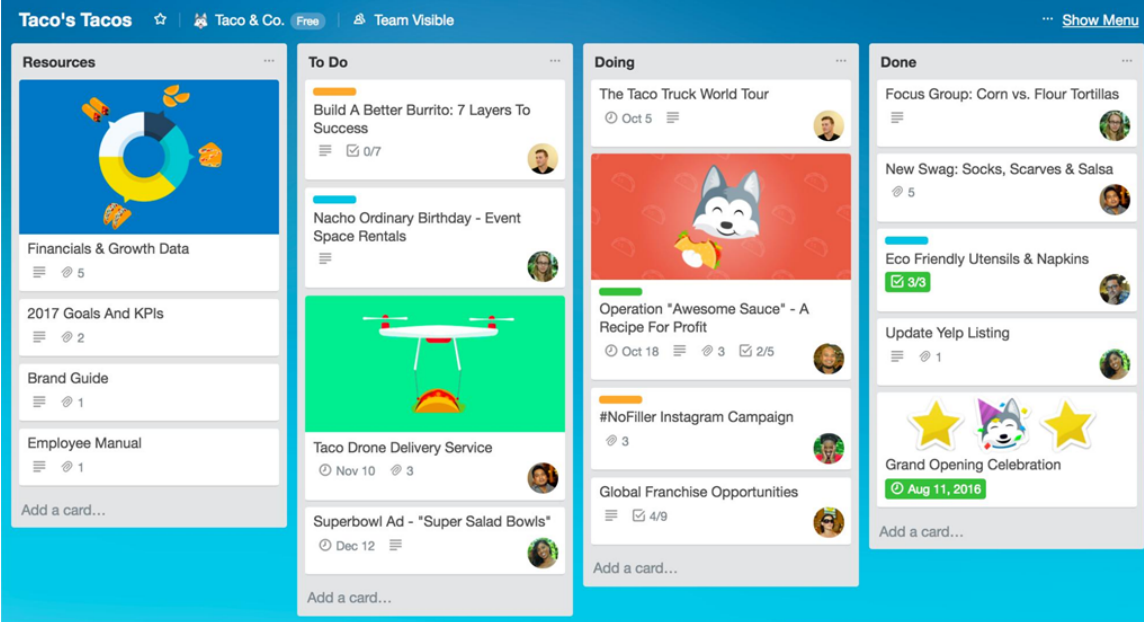

- Habits:** Features a 'New Habit' input field. Active habits include 'Stairs instead of elevator' (decreased), '1 Vegetable' (increased), 'Productivity' (increased), and '1 Cigarette' (decreased). A 'History' graph shows a score increasing from 100 to approximately 250.
- Dailies:** Lists daily tasks such as 'Productive Work 1h', 'Read 30m', '5 Vegetables', 'Exercise 20m', 'Family Time 1h', 'Meditate 45m', 'Floss', and 'Bed by 11:30'.
- To-Dos:** Lists tasks like 'Call Mom', 'Finish Taxes' (due 01/06), and 'Register on TurboTax'. It includes sections for 'Text' (with a 'Finish Taxes' input), 'Extra Notes' (with a note 'Remember to call CPA on Wednesday'), and 'Due Date' (set to 01/06/2014).
- Rewards:** Shows a list of items earned, including 'Video Games', '1 TV Episode', 'Golden Scepter', 'Dark Souls Blade', 'Crystal Blade', 'Stephen Weber's Shaft of the Dragon', 'Mustaine's Milestone Mashing Morning Star', and 'Snowflake Wand'.
