1. Purpose

Licensee has licensed rights to use the Font Software specified in Exhibit A hereto under the Monotype Font Software End User License Agreement ("EULA") and wishes to license additional rights.

2. Additional Rights of Use

In addition to the rights granted by the EULA and other license extensions entered into by Licensee and Monotype, if any, subject to the non-conflicting restrictions set forth in such agreements and subject to the payment of the applicable license fees, Licensee is granted the non-exclusive, non-assignable, non-transferable (except with a transfer of the basic Font Software License under the EULA as expressly permitted by the EULA) license to Use the Font Software specified in Exhibit A hereto on the additional CPUs (Workstations) as indicated in Exhibit A hereto, subject to the further conditions contained in this License Extension (Multi-User License).

3. Application of EULA

Licensee hereby expressly acknowledges the terms and conditions of the EULA which shall, with the exception of the rights granted herein or other license extensions to the EULA, remain in full force and effect.

4. Validity of License Extension

This license extension will become ineffective if the license fees for this extension are refunded or the EULA, upon which this license extension bases, terminates for any reason.
